COLLEGE FOR OVERSEAS EDUCATION

## About YZU

YZU is a key comprehensive university jointly constructed by Jiangsu provincial government and Ministry of Education. The university history dates back to 1902 when the first two college were established for agricultural training and teachers' training.

YZU attaches great importance to scientific research. According to the data released by ESI, 6 subjects of YZU, namely Chemistry, Plant and Animal Science have entered into top 1% of the academic institutions and universities in the world.

YZU is now running on a large scale with a wide range of disciplines. More than 25,000 undergraduates and 10,000 postgraduates are studying in its 28 colleges, including around 2000 international students. YZU offers 120 bachelor' s programs, 240 master' s programs, 70 doctoral programs on campus, and holds 14 post-doctoral mobile stations both in and off campuses.
