

Professor YAN Xuebing

College	College of Animal Science & Technology
Current Position	Professor
Types of Tutor	Doctoral Tutor
Language	Chinese/English
Education	2002/09—2005/06, China Agricultural University, Grassland Science, Ph.D 1993/09—2000/07, Gansu Agricultural University, Grassland Science, Bachelor and Master degree
Research Interests	Population genetics and molecular ecology of grassland plant
Selected Publications	<ol style="list-style-type: none">1. Zhang J, Wang M, Guo Z, Guan Y, Liu J, Guo Y*, Yan X*. Variation in ploidy level and genome size of <i>Cynodon dactylon</i> (L.) Pers. along a latitudinal gradient. <i>Folia Geobotanica</i>, 2019, accepted for publication.2. Guo Z, Zhang J, Wang M, Guan Y, Liu J, Guo Y*, Yan X*. First Report of Alfalfa Leaf Curl Virus Infecting Alfalfa (<i>Medicago sativa</i>) in China. <i>Plant Disease</i>, 2019,online, DOI.PDIS02190318PDN.3. Zhang J, Wang M, Guo Z, Guan Y, Liu J, Yan X*, Guo Y*. Genetic Diversity and Population Structure of Bermudagrass [<i>Cynodon dactylon</i> (L.) Pers.] along Latitudinal Gradients and the Relationship with Polyploidy Level. <i>Diversity</i>, 2019, 11(8): 135.
