

## Lecturer DU Wei

College	College of Physical Science and Technology
Current Position	Lecturer
Types of Tutor	Master Tutor
Language	Chinese/English
Education	Doctor in physics, Nanjing University
Research Interests	Nanomaterials, Surface enhanced Raman scattering
Selected Publications	Hotspot-engineered quasi-3D metallic network for surface-enhanced Raman scattering based on colloid monolayer templating, Applied Physics Letters 109, 121108,(2016)
Email	wdu@yzu.edu.cn
