

Professor BAO Zhenqiang

College	College of Information Engineering (College of Artificial Intelligence)
Current Position	Professor
Types of Tutor	Master Tutor
Language	Chinese/English
Education	Doctor of engineering, Nanjing university of aeronautics and astronautics
Research Interests	Evolutionary Algorithms, Planning and Scheduling, Data Mining
Selected Publications	[1] Bao,Zhenqiang.Multi-objective integration of flexible collaborative planning and fuzzy flexible lot-splitting scheduling based on the Pareto optimal.ternational Journal of Hybrid Information Technology.ternational Journal of Hybrid Information Technology,2015,v8:305-318 [2]Zhenqiang Bao, Cheng Wang*, Junwu Zhu, Yu Xu, Xiaohong Huang. A Multi-objective Model for Integration of Collaborative Planning and Fuzzy Scheduling and Its Evolutionary Algorithm. Journal of Convergence Information Technology. 2013, Volume8, Number4:251-261
