

Lecturer MA Zhiyu

College	College of Veterinary Medicine
Current Position	Lecturer
Types of Tutor	Master Tutor
Language	Chinese/English
Education	College of Veterinary Medicine, Yangzhou University, Animal Anatomy Group, Department of Basic Veterinary Medicine
Research Interests	Neuropeptide and its receptor research, Neuroendocrine and reproductive research
Selected Publications	<ol style="list-style-type: none">1. Ma Z, Zhang Y, Su J, Yang S, Qiao W, Li X, Lei Z*, Cheng L, An N, Wang W, Feng Y, Zhang J. Effects of neuromedin B on steroidogenesis, cell proliferation, and apoptosis in porcine Leydig cell. <i>J Mol Endocrinol</i>, 2018, 61(1):13-23.2. Ma Z, Zhang Y, Su J, Li X, Yang S, Qiao W, Suo C, Lei Z*. Distribution of the Pig Gastrin-releasing Peptide Receptor and the Effect of GRP on Porcine Leydig Cells. <i>Peptides</i>, 2018, 99:142-152.3. Ma Z, Zhao Y, Yao Y, Lei Z, Jin M, Li X,

	<p>Jia C, Zhang Z, Li X, Su J*. Postnatal developmental of Neuromedin S and its receptor in the male Xiaomeishan pig reproductive axis. <i>Animal Reproduction Science</i>, 2017, 181:115-124.</p> <p>4. Ma Z, Su J, Guo T, Jin M, Li X, Lei Z*, Hou Y, Li X, Jia C, Zhang Z, Ahmed E. Neuromedin B and Its Receptor: Gene Cloning, Tissue Distribution and Expression Levels of the Reproductive Axis in Pigs. <i>PLOS ONE</i>, 2016, 11(3): e0151871.</p>
