

## Senior Engineer ZHU Jinrong

College	College of Information Engineering (College of Artificial Intelligence)
Current Position	Senior Engineer
Types of Tutor	Master Tutor
Language	Chinese/English
Education	Master's degree
Research Interests	Motor control, Laser ranging and night vision
Selected Publications	[1] Electronic structures and magnetoresistance of Co/Cu/Ni/Cu superlattices with different Orientations Physica B [2] Energy-imbalance mechanism of domain wall motion induced by propagation spin waves in finite magnetic nanostripe [3] Theoretical analysis and numerical simulation of the impulse delivering from laser-produced plasma to solid target [4] The relation between composition in laser absorption region and ambient pressure
Email	Jrzhu@yzu.edu.cn
