

Associate Professor YANG Jing

College	College of Information Engineering (College of Artificial Intelligence)
Current Position	Associate Professor
Types of Tutor	Master Tutor
Language	Chinese/English
Education	2002.9-2006.7 Sichuan Normal University Communication Engineering bachelor 2006.9-2013.3 Southwest Jiaotong University, PhD
Research Interests	Basic theory of wireless communication, signal and information processing, focusing on physical layer performance analysis and transmission scheme design
Selected Publications	(1)Jing Yang 等. Dual-hop cognitive amplify-and- forward relaying networks over $\eta - \mu$ fading channels, IEEE TVT, SCI 二区 (IF:5.339) (2)Jing Yang 等. Efficient Transmission in Multi-Antenna Two-Way AF Relaying Networks, IEEE TVT 2018, SCI 二区 (IF:5.339)
